INTERVIEW

An interview will be conducted for all suitable applicants. You will be contacted as soon as possible to determine a suitable interview time. During this 30 minute interview, you will be required to show your passion and understanding in Science, Technology, Engineering and Mathematics.

CONDITIONS & EXPECTATIONS

STEM Scholarship students will be required to:

1. Demonstrate outstanding record of achievement in Maths and Science
2. Maintain passing academic grades in all other studies
3. Maintain and uphold the behavioural expectation and values of the college

The College will provide:

1. Tuition fee relief, to the value of \$1000 per year, for the first three years of enrolment
2. Students who are accepted into Science / Maths based University courses after Year 12 will receive an additional bursary

I/We understand that there are limited scholarships for STEM and that submission of an application or selection for an interview does not guarantee an offer.
