

# COOLOOLA CHRISTIAN COLLEGE LTD

*Growing God's Kingdom through Excellence in Education*

7 May 2020

Good afternoon Parents

As you would be aware, the Government has announced a plan for a staggered return to school for all Queensland students. This directive applies to Independent Schools as well.

Arrangements for Cooloola Christian College students are as follows:

- Prep, Year 1, Year 11 & Year 12 will return to CCC on Monday, 11 May 2020. There will be no 'Learning from Home' program available, as face-to-face teaching will recommence for these students.
- Students in Years 2-10 will continue to learn from home. Those on campus will remain as children of essential workers or vulnerable children.

## School Buses

As we anticipate the number of students at CCC to increase, all bus services will resume from May 11 including the CCC Bus Service, which operates to and from Cooroy and Kilkivan.

## Tuckshop

The Tuckshop will remain closed until further notice.

## Drop off and Pick up

Due to increased students at school, drop-off and pick-up arrangements will change from May 11. (see below). Supervision will be provided for younger students to move to and from cars safely. In order to reduce congestion, please do not arrive at the College before 3pm in the afternoon. Parents will be issued with a dashboard label (includes surname and zone colour) to assist with traffic control. Parents are to stay in, or next to, their car to minimise adults on the campus.

Who	Zone	Colour
Prep families – including older siblings	Carpark in front of Prep	Orange
Primary families – including older siblings	Carpark below Early Learning Centre	Blue
Secondary families – only secondary siblings currently at CCC	First carpark – (below I Block)	Yellow

## Student Parking

Year 11 & 12 students who drive independently to school are asked to park their vehicles in the temporary carpark below J Block. Please arrive in time for Devotions in The Learning Hub @ 9am.

## **Student and Staff Safety**

Temperature stations will continue to be manned by CCC staff as students arrive at the drop off zones, continuing to safeguard the health of our staff and students.

## **Next Steps**

We anticipate that all students will return to school from 25 May; however, we will continue to be guided by Queensland Government directives.

We are grateful for your continued support. The positive feedback on our 'Learning from Home' delivery has been very encouraging, but we all look forward to when everyone is back at school with our teachers and friends.

Kind regards

Trevor Norman
