17 April 2020

Dear Parents and Carers,

Please see some important information regarding the start of Term 2, Monday, 20<sup>th</sup> April.

- We have a very small number of Surface Pro 3 devices which can be borrowed where a family makes request via the Device Loan agreement (see Parent Lounge).
- Families P-6 are advised that our Devotion time (previously advised as 9-9:15am) will run 15mins earlier (8:45-9:00am) reducing the stress on shared devices. This will give our Primary students an extra 15mins to gather resources before "Tune In" at 9:15am. (Secondary Devotion time will remain at 9am)
- Reminder to ensure your students have access to Office 365 – check our IT videos through the CCC website for help - <https://ccc.qld.edu.au/covid-19-learning/>

Thanking you
