Cash or Online. No eftpos available.

Ordering

There are two ways you can order from our Café. You can either use the traditional bag system where the student places their written bag order in the class tuckshop box or by using the new online ordering we have introduced here at CCC.

Each Primary classroom has been provided with a box to place the orders in which is delivered to the tuckshop or alternatively orders may be dropped off at the Café before school commences.

NB. Flavoured mineral waters and soft drinks will **NOT** be available for over the counter purchase by Primary students. These items can only be ordered by primary students with an order including food. Secondary students can purchase these items over the counter.

Traditional bag system

If you want to use the traditional bag system. Please clearly write **student's name, student's year, teachers name** and **items** ordered on a paper bag with cash included.

If your child has 1st break and lunch break ordered, can you please write the orders on separate brown paper bags. Example shown.

Please include correct change if possible (if not, change will be placed in the bag with the student's order).

Please do not tape or staple your child's tuckshop bag.

Online Ordering

Cooloola Christian College has introduced a great new online ordering system for **Tuckshop** called FlexiSchools. This system allows parents, students and staff to place orders from home or work. The payment is also done online, so **less paper bags, cash, cheques, and envelopes are sent via your student to school.** As well as being convenient for parents, the online orders are much faster and easier to process - so it makes everyone's life a little easier.

Getting online is easy and only takes a few minutes to register. Simply go to www.flexischools.com.au and click "**Register Now**". You will be sent an email with further instructions on how to complete the registration. Once registered, you can start placing orders immediately. If you have any questions, FlexiSchools provide a great help desk on 1300 361 769, or you can contact them via their website.

There are a variety of payment options supported, including Visa, Mastercard (credit and debit) and Bank Transfer. The system operates via a pre-paid account or by paying for the order at the time by using a credit card, so you no longer have to worry about the manual process of sending payments into school, and you can easily budget your students spending and expenses throughout the year. There is a 29c fee paid to FlexiSchools when you pay money into your account using a credit card. Direct depositing funds into your FlexiSchools account does not incur any charges however it may take a few days for payment to clear.

There is a 29 cent fee paid per order to FlexiSchools this is to cover to cost of bags, labels and online support from FlexiSchools.

The system is now available, so we look forward to seeing your next order online!

Special Days and Daily Specials

Occasionally the café will hold 'pizza' days or 'daily specials' items to the menu. Look out for these in the school newsletter or on 'Flexischools'.

Special Requirements

If have any special dietary requirements, please let us know and we will try to accommodate.
