CREDIT COLLECTION POLICY

INTRODUCTION

Cooloola Christian College Ltd, (herein referred to as the College), requires all fees to be paid in a timely manner to assist with budgeting and operational aspects of the College. The College is a non-profit organisation and therefore payment of fees on time is critical to the effective provision of educational services.

BIBLICAL PERSPECTIVE

Biblical principles determine that Cooloola Christian College seeks to:

- be good stewards of the finances and resources in its charge. We are committed to use our finances and resources wisely in managing the College affairs while at the same time ensuring accessibility to all families who genuinely desire a Christian education for their students.
- develop and maintain the physical resources and facilities in order to maximize the education experience and outcomes for its students.
- conduct relationships, programs and business dealings in a way that will demonstrate Christian values and ethics.

PURPOSE

The purpose of the policy is to set out clearly the responsibilities and obligations of parents and or guardians who are intending to or who have enrolled their students at the College.

POLICY STATEMENT

1. Full payment of fees and charges invoiced is due 14 days after the commencement of the term or date invoiced unless prior arrangements are made with the Business Manager.
2. Each family has three options to pay their account:
 - a) Account must be paid in full by the specified due date; or
 - b) An automatic payment arrangement is entered into with the College; or
 - c) A formal payment schedule is submitted to and accepted by the College. The request for payment schedule is a request to extend the 14 days notice stipulated in the credit policy and must outline how and when fees will be paid
3. Parents who are unable to pay within the specified time will be required to:
 - a) advise the College in writing of a payment schedule to reduce the account in the shortest time possible; and/or
 - b) establish a direct debit for payment of their existing balance
4. When a parent/guardian wishes to withdraw their students from the College, one (1) term's notice is required, otherwise 1 term's fees will be payable.

THE LAW

The law requires that Cooloola Christian College Ltd operate with sufficient financial resources for its day-to-day operations. The law provides the College with avenues to follow-up unpaid fees.

IMPLEMENTATION

This policy will be automatically implemented immediately when a student commences at the College..

ROLES / RESPONSIBILITIES

The College will at all times be open to negotiate mutual payment arrangements and parents are encouraged to keep the Business Manager informed of any relevant circumstances.

- Families experiencing or who may experience difficulties making payment are requested to contact the Business Office BEFORE the account becomes overdue. In most situations, families will be required to sign a regular Direct Debit authority to meet payments or complete a request for payment schedule.
- An ongoing payment arrangement must be established when there is a debt outstanding beyond the terms outlined in (1) above. This also applies when parents leave the College and fees remain outstanding. Failure to comply may result in the student/s reports being withheld and the College proceeding with collection of outstanding fees through legal channels.

ACCOUNTABILITY

Biblical principles determine that the College is to seek to conduct its relationships, programs and business dealings in a way that will demonstrate Christian values and ethics. Parents and guardians are likewise accountable to the College for prompt and full payment of fees in recognition of their acceptance of these terms at the time of enrolment or confirmation of enrolment of their students into the College.

CONSEQUENCES

1. Overdue accounts where satisfactory payments have not been entered into or adhered to incur late penalty fees.
2. Continual failure to maintain a suitable payment arrangement may jeopardise the ongoing enrolment of the Student.
3. Failure to come to a suitable payment arrangement or to adhere to an agreed arrangement may result in the matter being referred to a Debt Collection Agency. Costs and commissions associated with the collection will be added to the outstanding balance.
