

COOLOOLA CHRISTIAN COLLEGE LIMITED

Growing God's Kingdom through Excellence in Education

7 April 2020

Good morning Instrumental and Immersion Families,

Lessons will continue in Term 2, starting in week 1, but all bands will not operate. Lessons will be delivered online through Microsoft Teams for all students, whether at school or at home, where each Instrumental teacher will invite their students via Microsoft Teams Calendar. Students simply click on the invitation to engage in their lesson at the required time. All lessons will be recorded and archived in Microsoft Streams for any students who may have missed their lesson.

It is very important that students continue to practise daily if possible, rehearsing band repertoire on a regular basis also. This will ensure that our Instrumental Music Program will continue to grow and develop despite the current issues. Please let me know if your child has left their instrument at school, and I will arrange a time for you to collect at your convenience.

Timetables and further details will be emailed prior to the commencement of Term 2 lessons.

I am available for support when I am not teaching for all students and families, so please do not hesitate to contact me. Thank you for your ongoing support of the Instrumental Program at CCC, and I wish you all a refreshing, reflective, and renewing Easter break.

Jendy Smith

Primary Music and Arts Teacher
